Coaxial digital audio/video cable

The 24 AWG gold plated, shielded Coaxial Cable from Forza is built to deliver accurate picture resolution and crystal clear sound from your digital audio and video components. Enhanced immunity against unwanted noise and interference is also achieved by the foil and braid shield this cable features. Its rugged gold-plated connectors guarantee long lasting performance in your installation.

F-pin connectors are ideal for:

- Home theater components
- Digital cable boxes
- DSS receivers
- Digital/ satellite receivers
- CCTV systems
- VCR's
- Television distribution devices
