

Forza **Power Strips** are a safe, convenient and economical way to protect (by breaker) electrical equipment or electronics from dangerous voltage increases. These power strips work with 110V and 220V.

FEATURES

- 6 universal outlets
- Illuminated On/Off switch
- 3-foot cable
- Holes for wall mounting
- Over-voltage protection

CONNECTIONS

Input	
Output	

MODEL	FEATURES	PS-001B / PS-001W
INPUT	Voltage Current Amps Frequency Maximum Consumption Protection Type	120 ~ 220 VAC 10A – 15A 50 ~ 60 Hz 1,875W - 2,200W Circuit breaker
OUTPUT	Outlets	6 Nema
PHYSICAL APPEARANCE	Cable Color	3' White
