Procurando um mouse realmente elegante e ergonômico? O mouse vertical Klip Xtreme é cuidadosamente esculpido para caber na mão daqueles que passam a maior parte do dia na frente de um computador. Seu perfil promove maior operabilidade ao ter seus seis botões convenientemente posicionados exatamente onde seus dedos descansam. A conectividade excepcional é alcançada por meio do dongle ultracompacto de 2.4GHz, por isso ele praticamente não possui atraso ou interferência.

Mouse vertical sem fio EverRest

Buscas un mouse verdaderamente estilizado y ergonómico? El mouse vertical de Klip Xtreme ha sido diseñado para acomodarse perfectamente a la curvatura de la mano de aquellos que pasan gran parte del día sentados frente al computador. Su forma promueve la operación fluida de los seis botones convenientemente ubicados justo en los puntos donde descansan los dedos. Ofrece una conectividad excepcional a través del adaptador ultracompacto de 2.4GHz, prácticamente sin interferencias ni retardo al transmitir la señal.

Mouse inalámbrico vertical EverRest

Looking for a truly sleek and ergonomic mouse? The Klip Xtreme vertical mouse is thoughtfully sculpted to fit in the hand of those who spend most of the day in front of a computer. Its shape promotes greater operability by having its six buttons conveniently positioned right where your fingers rest. Ultimate connectivity is achieved through its ultra-compact 2.4GHz dongle that virtually has no lag or interference.
